## ABOUT WOMEN WIN

Founded in 2007, [Women Win](#) (WW) is a global multi-dimensional women’s fund guided by the vision of a future where every girl and woman\* exercises their rights. WW collaborates with diverse partners to increase the assets, access, voice, and agency of women and girls around the world. Our work focuses on investing in and providing support for a diverse global portfolio of partners. We also aim to influence a wide range of cross-sector stakeholders and broker unusual partnerships. Women Win works to advance girls’ and women’s rights amidst the scarce resources currently available for feminist movements.

Our programmatic work is distributed across three “Brands” which all serve WW’s overall vision, but each with their own unique mission:

- [GRLS](#): Advance the playing field that progresses gender equity in sport & through play;
- [Win-Win Strategies](#): Build bridges to advance girl’s and women’s economic resilience through impactful partnerships and holistic approaches.
- [Ignita](#): Resource feminist initiatives, activists and movements to drive change on their own terms by offering a safe and responsive infrastructure.

WW’s work is also supported by:

- our **Finance and Operations** team which delivers outstanding back of the house services that are pivotal in driving our strategy and growth;
- our **Learn** team which drives learning, innovation and knowledge management;
- our **Influence** team which focuses on resource mobilisation, thought leadership and communications coordination across the organisation.
- our **People & Culture** team which focuses on Women Win’s values and leadership ethos to create and maintain a unique and fun working environment and sustain a diverse, thriving team
